That you will seek me with thousands of mindless!

ALL QATAR —

About the  
modern's  
brother, Thomas -

After returning from the war, he has gotten weird. He now wears only yellow jacket with out of fashion blue pants.

After the first meeting, he starts to write.

However, I will wither soon.

He is not eating well also. He spends most of his time either reading or drawing in his room.

Und die ersten der ersten Blätter herbstlich!  
And storm that will take my leaves are coming!

Sshh, do you know why?

Miss Charlotte who he used to have a relationship with married recently

She couldn't wait for him.

Minotaur said the Warhorse's name, knowing that he'd walk in on her in bed.

A warhorse who once knew my beauty will wait for me.

Isn't Lucy posing for him every night lately?

Isn't Lucy marrying soon?

Really? Aw, gross!

That's...

Minotaur said to the Warhorse, "I will find you." He will attempt to find me in the field.

Year 1884 London

It's the center of  
England as well as  
the center of the  
world.

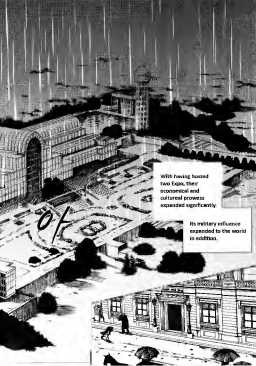

하아아아

Is that alright?  
I mean ...

His firm and word reach right leaders,

With having hosted two Exps, their economical and cultural prowess expanded significantly

Its military influence expanded to the world in addition.

It was an era England  
had built an empire  
that would never get  
dark.

I do have  
[Lady's lex] if  
you are  
interested ...

I must read  
Master Rossaka's  
[Private tutor  
detective  
Macromining]!

Original  
story  
adaptation

Geopon  
say that it's  
actually a  
woman ...

He is a  
gentleman!

Mmm ?

해발

In the bookstore,  
I saw a lady who  
claimed to be a big  
fan of (Private tutor  
detective  
Macmorning).

Why such  
a reaction ?

Wait, it's  
not my  
place to  
speak this  
but ...

There is a saying  
that well educated  
women have their  
blood concentrated  
in their heads and  
therefore are  
unable to  
resistive...

I am not sure why  
Sir Ethern is not trying  
to stop you ...

Wait !

Why are you  
calling him  
"Sir"?

Edwin has  
no power to  
tell me what  
not to do.

He is a butler for  
my family!

Hurry up, I might  
be late for Lady  
Lanodowne's  
invitation.

Yes, ma'am.

Jane Austen and  
Brontë family

Charles Dickens

Many talented  
authors and  
artists helped  
blossom England's  
culture.

Oops

It looks like  
it's going to  
rain again.

Magnificent dereliction  
as well as social  
etiquettes dominated  
the upper class citizens.

The story takes its place in  
such an era.

Miss Lucie !

It is a rare  
kind of orchid  
from China.

It certainly has  
a different taste  
than those from  
India.

Rose Lancdowne  
has brought it here  
when she was  
returning from her  
journey.

By the way...  
Lady Charlotte...  
no, Countess  
Lancaster is not  
here?

Oh, my!

Well, Thomas  
has returned ...

It was unfortunate.  
They were a nice  
couple.

It's too late now.  
She has married  
a count.

Oh ———

Miss Lizzie ?

They are nice  
flowers.  
Marchioness.

It must be hard  
to garden them.

You think so ?

~~~~~

Whenever  
I enter this  
greenhouse,

I keep reminding  
myself what a  
lucky woman I am.

Not all marriages  
are happy.

Not all marriages  
share responsibilities,  
love, and respect  
toward each other  
like our late king and  
queen.

이제든  
또는 남자든

Despite of  
the fact that  
we all need  
love.

Is that so?

Miss Lane is  
too young and  
unexperienced  
in this area ...

Yes, yes.

When I think about  
that, I tell how blessed  
I was to be able to

marry a man  
I loved and he has  
loved me back.

Sister ...

I don't know  
what to do  
anymore ... I

Especially when  
I confront  
Thorne's case ...

... Yeah.

He was fighting for his country and when he came back, his girl was married to someone else...

It's not like he could see the queen ...

Thank you, Miss Lore...

다들 '이  
왕후를 칭찬  
하네' ...

Oh ?

Just having  
someone to listen  
to you in silence  
helps a lot ...

Sometimes...

Jeongju -

정주님 앞에서 사리가 나옵니다. 어차피라도 제정음 것 같습니다.  
복선들, 심정들, 어서나 여자를 사당에서 즐겁게 봐주세요~

Mrs Lizzie is quite amazing.

You have such a young face.  
Nobody is going to believe that you are mature enough to get married.

And you've proven to be a capable author and you are a subject of great romance.

Romance?

Oh, you don't need to act like you don't know.

Your romantic  
France -

Everyone knows  
about your  
Mr. Edwin White.

France ?

What ...

You ...

Call that ...

consence ?!

When he became  
a lawyer and father said  
he'd let him marry me,  
I thought that it might  
happen.

He said ...

What is  
he ?

But he is a  
butler for my  
family right  
now !

What kind of lady  
would marry her  
family's Butler ?!

...

Of course, it would be  
great for him to  
marry you.

But isn't it  
romantic ?

The white devil  
in court !

The ingenious lawyer  
who won 30 cases  
in a row !

He  
volunteered to  
be a butler  
in order to gain  
love from his  
fiances.

He is a lawyer and  
a good one at that  
in addition.

The handsome  
ingenious lawyer  
who graduated  
from top of his  
class !

Edwin White !

I suppose it is within  
your rights to play  
tough.

Oh, I understand this movie is  
certainly. I don't want  
that.

Oh, I understand  
it is all right not,  
I understand that  
it is important.

Have you read  
the critics?

No, not  
yet.

The famed critic  
Arnold from  
Oxford university  
has made a positive  
comment on  
[Private tutor  
Memorizing].

He even stated  
that "Rossika"  
has amazing  
talents.

Oh, my.

You should be  
proud of yourself!  
Miss Lorne.

!

Gunshot ?!

What is  
happening?

I wonder ...

That's ... !

쿵쿵쿵쿵

Ma'am !

Madam !

Madam,  
this is urgent !

Your brother,  
Thomas ... !

It's been only  
10 seconds since  
the gunshot

How could she  
have confirmed  
the event and  
come down so  
quickly ?

Mads use  
different paths.  
Even so ...

And the door  
appears to be  
locked since  
they are taking  
it apart ?

Thomas !

The lock has been  
damaged by force ...

Firmly locked  
window ...

How could  
this happen  
...

와백하  
다! (wabaekha  
da!)

The floor  
is wet.

Oh, no,  
please don't  
enter.

Where is  
Newton's  
maid?

There was  
no will and  
the book he  
was reading  
was ...

Could  
it be ... ?

Heaven ...

..... Oh, I see.

Locked rooms.

Incomplete  
Charlotte's  
portrait.

And the usual  
police jacket  
and blue uniform...

And ...

Ma'am,

This book  
is ...

"Die Leiden des  
jungen Werthers"

What ?!

And the page  
he was reading  
was where the  
protagonist  
was writing  
a letter right  
before his  
suicide...

Thomas...

Can't be ...

He couldn't  
have committed  
suicide !

Someone set up  
a perfect scene  
for suicide, but - !

This is not  
a suicide !

What -

What are  
you doing?!

Now -

What are you  
waiting for ?  
Call the police !

This will not  
ease *marchoresu*'  
pain but

Her brother did not  
commit suicide !

This is not  
suicide !

This is homicide !
